CERTIFICATION OF ORDER FOR INTERLOCUTORY APPEAL

On its own motion, the Court certifies that its Minute Order of May 1, 2018 (Docket No. 191) involves a controlling question of law as to which there is substantial ground for difference of opinion, and that an immediate appeal from the order may materially advance the ultimate termination of the litigation. See 18 U.S.C. § 1292(b). The Court therefore certifies the order for interlocutory appeal.
